On Arrival Day student mentors meet the international students at the airport in Copenhagen and at the railway station in Lund. They accompany them from the railway station to the Arrival Day venue, where students check in and Welcome Packages are distributed. Arrival Day is compulsory if exchange students want to participate in the Orientation Program.

## ORIENTATION PROGRAM & SWEDISH LANGUAGE COURSE

We offer an extensive 1 or 2 week Orientation Program, free of charge to exchange students. It includes some lectures in the Swedish language and an introduction to the university and the cities of Lund and Helsingborg, tours and social activities. The language course renders academic credits. Throughout the semester, different social activities are also organized.

## COURSES & RESTRICTIONS

### Courses

Lund University offers more than 250 courses in English annually. The departments within the Faculty of Social Sciences offer undergraduate and graduate courses in English. See also the course guide for exchange studies for more information on courses within the Social Sciences Faculty: [www.sam.lu.se/en/education/exchange-studies/incoming-exchange-students](http://www.sam.lu.se/en/education/exchange-studies/incoming-exchange-students)

Courses can also be taken at faculties outside the Faculty of Social Sciences as complementary studies: [www.lunduniversity.lu.se/international-admissions/exchange-study-abroad/exchange-studies/find-exchange-courses](http://www.lunduniversity.lu.se/international-admissions/exchange-study-abroad/exchange-studies/find-exchange-courses)

### Course load

1.5 Swedish university credits equals 1.5 ECTS-credits, representing one week of full-time studies. Exchange students are expected to take a full-time course load of 30 credits per semester.

Course modules generally vary in scope from 7.5 credits to 15 credits. The study rate lies between 25% and 100%. Examination may take various forms and can be based on active participation in seminars, oral presentations-individually and in groups-, written examinations in the form of papers and critical reflections on the course literature.

### Restrictions

Exchange students coming on an agreement with the Faculty of Social Sciences, or one of the Faculty of Social Sciences' departments, must take at least half of their credits (15 ECTS) at the Faculty of Social Sciences. While students may include external courses in their applications, they are neither prioritized nor guaranteed admission to courses outside the Faculty of Social Sciences.
