The course days 1–5 will all be arranged in a similar way, starting with an introduction of the method(s) of the day by the involved teachers, followed by a text seminar on two book chapters or articles on this method.

After lunch the group will be split into two parallel analytic workshops, where the participants' own empirical material will be subjected to analyses of the kind that the day is devoted to.

The course will convene in House R ([Gamla Kirurgen](#)) in room 115. You will need your LU-card to access the corridor to the classroom. The rooms P005, P013, P014 are located at the department of Psychology across from Gamla Kirurgen.
